Driver's License and Age: State employees must possess and display, at the contractor's request, a valid driver's license issued by the State. Drivers must be at least 21 years of age.

Mandatory Method of Payment and Additional Insurance Conditions: The State's procurement card is **not** an authorized form of payment for this agreement.

US Bank VISA Travel Card: Executive Order [D 005 03](#) mandates "...that this state travel card [US Bank VISA] be used for both in-state and out-of-state travel purposes." Therefore, State employees must make payment by means of a State authorized travel card -- US Bank VISA. State employees must notify their respective Travel Compliance Designee (TCD) to provide notification and justification of non-compliance (rentals NOT using the State authorized travel card). (See: [TCD list](#) at the Statewide Travel Management Program website)

US Bank VISA Central Travel Card: Contractor (Budget) was required to establish a process to allow use of the Central Travel card for 3rd party billing rentals. Many TCD's have strategically implemented the Central Travel card throughout their respective agency or institution to handle infrequent traveler's auto rental needs. This will allow the use of the travel arrangers Central Travel card to make rental arrangements for the infrequent traveler or as otherwise determined by the TCD. Further details are provided on the State Travel Management Program website.

Collision/Loss Damage Waiver: Collision/Loss Damage Waiver (CDW or LDW) coverage will be furnished, at no cost to the State Traveler, by Contractor (AVIS). Contractor (AVIS) is not to **charge** CDW/LDW coverage to a State employee if the payment is made on either of the State authorized travel cards -- US Bank VISA

individual or Central Travel card. Contractor (AVIS) **will make no charge** for additional CDW/LDW if payment is made on either of the State authorized travel cards -- US Bank VISA individual or Central Travel card.

Liability Insurance: Contractor (AVIS) was required to provide \$300,000 Liability Insurance for State of Colorado automobile rentals. Please note: Risk Management approved a request for a Waiver of Liability Insurance – and agrees that in light of the increased costs for higher limits, STMP can use the \$300,000 industry standard limit in the contracts with rental car vendors. LIABILITY INSURANCE IS NOT PROVIDED ON INTERNATIONAL RENTALS.

International Rentals:

Contractor (Avis) offers the State of Colorado the **Corporate International Program**, which **ONLY** includes Collision/Loss Damage Waiver (CDW or LDW) and Theft Protection (TP) automatically with the use of the Discount Code: **A514100** for each international rental.
